## EXPERIENCE

---

### ESL Teacher

Jan 2026 – Present

*American Language Center*

*Tainan, Taiwan*

- Design lesson plans and develop original learning materials aligned to school curriculum for elementary and junior high school students.
- Serve as project coordinator for the development of new teaching slides and worksheets for the school, managing scope and delivery of new instructional content.
- Administer assessments, including quizzes and tests, to monitor student comprehension and inform instructional decisions.
- Provide individualized tutoring support for absent students and adult learners.

### ESL Teacher

May 2024 – Nov 2026

*April Academy*

*Seoul, South Korea*

- Developed and prepared lesson materials for elementary English instruction, ensuring alignment with school curriculum.
- Assessed incoming students to determine appropriate class placements based on proficiency level.
- Administered quizzes and tests; wrote detailed report cards with constructive feedback on student performance.
- Collaborated with co-teacher to monitor student progress and adjust instructional approaches accordingly.

### ESL Camp Instructor

*April Academy*

*Seoul, South Korea*

- Developed and implemented lesson plans tailored to an immersive camp curriculum, ensuring engagement and learning objectives were met.
- Evaluated student progress and delivered written feedback through report cards and comments.
- Led ESL camp classes designed to accelerate language acquisition in a structured, immersive environment.

### Substitute Teacher

Jan 2024 – May 2024

*North Glade Elementary & Ruth K. Broad Bay Harbor K-8*

*Miami, FL*

- Adapted quickly to different classroom settings, grade levels, and instructional needs across multiple school environments.
- Maintained a productive learning environment and communicated essential updates to school administration.

### English Tutor

Sept 2023 – Nov 2023

*Minglish*

*Cheongju, South Korea*

- Conducted one-on-one conversational English sessions, tailoring content to each learner's proficiency level and needs, across a diverse age range (10 to 72 years old).
